

is_top_layer

```
graph LR; A[is_top_layer] --> B[is_within_bounds]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'is_top_layer'. The right box is white and contains the text 'is_within_bounds'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
